

I'm not sorry

**I WAS
HAVING FUN**

*I got that old time religion
where we still don't
cross the picket lines*

You got Rush Limbaugh on your side

But I got Ricky Tomlinson on mine

flickering pictures hypnotize

**we spend our lives
watching others' lives**

**too much watching
to realize**

that this is a smokescreen
and this is why people die

**some set their hearts
on a rocking chair**

*the better to sleep
out the days*

but I'm looking
for a reason to
kick and scream

*I don't wanna fade away
fade away
fade away
I don't wanna fade away*

nothing
ever burns
down by
itself

every fire
needs a
little bit
of help

**GIVE THE ANARCHIST
A CIGARETTE**

cause that's as close
as he's ever gonna get

**GIVE THE ANARCHIST
A CIGARETTE**

**BOBBY JUST HASN'T
earned it yet**

The future glints like the moon on
an old slate roof

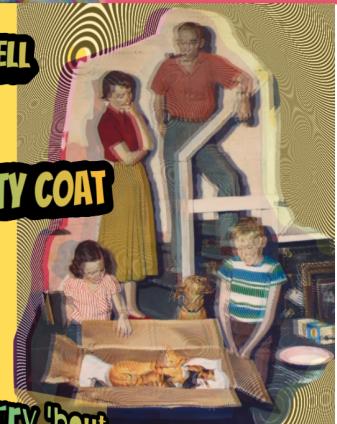

And everything you say sounds
like the truth

The things you did made half my
dreams come true

**And I wanted
to be with you**

**NORMAN ROCKWELL
COME ON IN**

**HANG YOUR DIRTY COAT
ON THE DOOR**

**Don't you worry 'bout
the cops downstairs**

**They're just
digging up the
cellar floor**
